

Name: Tim M. Cosgrove

Office: Utah House of Representatives

District: 44 Murray & Midvale

Email address: cosgrove44@mstarmetro.net

Website: www.Electtimcosgrove.org

Age: 44

Occupation: Child Advocate/Primary Children's Medical Center

Residence:

477 East 6325 South

Murray Utah, 84107

Years at Residence: 13 years

Qualifications:

Through the examples set by my father, who served in the United States Marines Corps, and my grandfather, who served in the United States Army and Merchant Marines, I developed my strong desire and drive to serve our country, the community and people of District 44, and the great state of Utah.

Born and raised in Utah, I received my B.S. degree from Weber State University and M.A. degree in Political Management and Public Policy from George Washington University. I work at Primary Children's Medical Center as a Child Advocate.

Leading by example, I am involved and making a difference in our community. I coached girls Jr. jazz basketball for seven years, served on the Murray Max Soccer club board for five years, and as club president for three years. I have been active in the local and state PTA, serving as the Health Commissioner. I attend Murray and Midvale City Council meetings, Murray School board meetings, Chamber of Commerce and Murray Exchange club meetings to better understand the issues and concerns of the community.

As a legislator, I sponsored and passed Internet Crimes Against Children, Counseling For Families of Veterans, Working Family Economic Development Initiative, Funding For School Libraries, and Ethics Reform with Campaign Funds Expenditure Restrictions.
